

**NOTICE OF SPRING ELECTION,
PRESIDENTIAL PREFERENCE VOTE, REFERENDUM
AND SAMPLE BALLOTS
APRIL 7, 2020**

OFFICE OF THE BROWN COUNTY CLERK
TO THE VOTERS OF BROWN COUNTY:

Notice is hereby given of a spring election and a Presidential Preference Vote to be held in Brown County on April 7, 2020, at which the officers named below shall be chosen. The names of the candidates for each office, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, together with the questions submitted to a vote, for a referendum, in the sample ballot below.

INFORMATION TO VOTERS

Upon entering the polling place, a voter shall state his or her name and address, show an acceptable form of photo identification and sign the poll book before being permitted to vote. If a voter does not have acceptable photo identification the voter may obtain a free photo ID for voting from the Division of Motor Vehicles. If a voter is not registered to vote, a voter may register to vote at the polling place serving his or her residence, if the voter presents proof of residence in a form specified by law. Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the voter shall retire alone to a voting booth and cast his or her ballot, except that a voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward. An election official may inform the voter of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

AT THE PRESIDENTIAL PREFERENCE VOTE

A Voter May Cast Only One Vote in the Presidential Preference Primary.

Where Optical Scan Voting is Used

Within the party of his or her choice, the voter shall fill in the oval next to the name of the candidate of his or her choice or shall, in the alternative, fill in the oval next to the words "Uninstructed Delegation," or write in the name of a person of his or her choice for a candidate in the space provided for a write-in vote and fill in the oval next to the write-in line.

When using an electronic ballot marking device ("ExpressVote") to mark an **optical scan ballot**, the voter shall touch the screen or the keypad to select the party of his or her choice. Within the party of his or her choice, the voter shall touch the screen or use the keypad to select the name of the candidate of his or her choice or shall, in the alternative, touch the screen or use the keypad to select the words "Uninstructed Delegation," or type in the name of a person of his or her choice in the space provided for a write-in vote.

AT THE SPRING ELECTION

Where Optical Scan Voting is Used

The voter shall fill in the oval next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of his or her choice in the space provided, and fill in the oval next to the write-in line. On referendum questions, the voter shall fill in the oval next to "yes" if in favor of the question or fill in the oval next to "no" if opposed to the question.

When using an electronic ballot marking device ("ExpressVote") to mark an **optical scan ballot**, the voter shall touch the screen or use the keypad to select the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of his or her choice in the space provided for a write-in vote. On referendum questions, the voter shall touch the screen or use the keypad to select "yes" if in favor of the question, or the voter shall touch the screen or use the keypad to select "no" if opposed to the question.

The vote shall not be cast in any other manner. Not more than five minutes' time shall be allowed inside a voting booth. Sample ballots or other materials to assist the voter in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

Spoiled Ballots

If a voter spoils an **optical scan ballot**, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official who shall issue a proper ballot in its place.

After Voting the Ballot

After an official **optical scan ballot** is marked, it shall be inserted in the security sleeve, so the marks do not show. The voter shall insert the ballot in the voting device and discard the sleeve or deliver the ballot to an inspector for deposit. The voter shall leave the polling place promptly.

A voter may select an individual to assist in casting his or her vote if the voter declares to the presiding official that he or she is unable to read, has difficulty reading, writing, or understanding English, or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.

SECTION 3. Section 9m (4) of article I of the constitution is created to read:

[Article I] Section 9m (4) (a) In addition to any other available enforcement of rights or remedy for a violation of this section or of other rights, privileges, or protections provided by law, the victim, the victim's attorney or other lawful representative, or the attorney for the government upon request of the victim may assert and seek in any circuit court or before any other authority of competent jurisdiction, enforcement of the rights in this section and any other right, privilege, or protection afforded to the victim by law. The court or other authority with jurisdiction over the case shall act promptly on such a request and afford a remedy for the violation of any right of the victim. The court or other authority with jurisdiction over the case shall clearly state on the record the reasons for any decision regarding the disposition of a victim's right and shall provide those reasons to the victim or the victim's attorney or other lawful representative.

SECTION 5. Section 9m (6) of article I of the constitution is created to read:

[Article I] Section 9m (6) This section is not intended and may not be interpreted to supersede a defendant's federal constitutional rights or to afford party status in a proceeding to any victim.

SECTION 6. Numbering of new provisions. If another constitutional amendment ratified by the people creates the number of any provision created in this joint resolution, the chief of the legislative reference bureau shall determine the sequencing and the numbering of the provisions whose numbers conflict.

Now, therefore, be it resolved by the senate, the assembly concurring, That the foregoing proposed amendment to the constitution is agreed to by the 2019 legislature; and, be it further

Resolved, That the foregoing proposed amendment to the constitution be submitted to a vote of the people at the election to be held on the first Tuesday in April 2020; and, be it further

Resolved, That the question concerning ratification of the foregoing proposed amendment to the constitution be stated on the ballot as follows:

QUESTION 1: "Additional rights of crime victims. Shall section 9m of article I of the constitution, which gives certain rights to crime victims, be amended to give crime victims additional rights, to require that the rights of crime victims be protected with equal force to the protections afforded the accused while leaving the federal constitutional rights of the accused intact, and to allow crime victims to enforce their rights in court?"

EXPLANATION

The Wisconsin Constitution, article I, section 9m, currently provides that the state shall treat crime victims "with fairness, dignity and respect for their privacy." That provision also mandates that the state ensure that crime victims have certain "privileges and protections" relative to the accused and the criminal case. Separate from these constitutional provisions, chapter 950 of the Wisconsin Statutes provides a "bill of rights" for victims and witnesses of crimes.

The proposed amendment would make five general changes to article I, section 9m, of the Wisconsin Constitution.

First, in 16 subsections, the proposed amendment would expand the rights of victims by creating additional rights and incorporating other statutory rights into the constitution.

Second, the proposed amendment would incorporate into the constitution a definition of "victim" similar to the definition currently in statute.

Third, the proposed amendment would create an additional mechanism by which victims could enforce their rights as victims.

Fourth, the proposed amendment would incorporate into the constitution a limit on governmental liability for any violation of victims' rights, similar to the limit currently provided by statute.

Fifth, the proposed amendment would provide that it may not be interpreted to supersede a defendant's federal constitutional rights or afford party status in a proceeding to any victim.

A "yes" vote on this question would amend the Wisconsin Constitution as summarized above.

A "no" vote on this question would decline to amend the Wisconsin Constitution as summarized above. A "no" vote would not alter existing protections for crime victims.
